

January 30, 2020

Dear Brighter Day Friends,

We would like to express our excitement about becoming the new owners of Brighter Day! We are passionate about continuing to bring healthy food to our community, supporting local farmers, reducing our environmental footprint and meeting the needs of our customers. We both love this neighborhood at the South end of Forsyth Park, and are proud to be investing in its future by continuing Brighter Day's legacy as Savannah's only independently owned natural foods market.

We look forward to meeting you soon!

Kristin Russell & Brad Baugh
